What we do

Delivering more value
from the world's information

How we do it

- Capture first party data & insights
- Our deep, perpetual profiling helps businesses identify, engage and understand more of your consumers

Where we do it

- Based in Kalamaria
- Team members in:
 - ◆ Australia
 - ◆ Slovakia
 - ◆ India
 - ◆ UK
- Working remotely for years now

Our internships

- We offer two internships
- In our Quality Assurance Department
- What you will do
 - ◆ Take part in our 14 day sprints
 - ◆ Perform various modes of testing
 - ◆ Take part in production deployments
- No hard requirements
 - ◆ Just a knack for taking things apart!

Key take-outs

- Experience the dynamics of the sprint cycle
 - ◆ How are tasks created, implemented, tested?
 - ◆ How departments collaborate?
 - ◆ How does a company handle “change”?
- The above are not typically taught in a classroom
- You will be productive within a month
 - ◆ We know: this is our sixth internship cycle
